# ACTIVITIES ALLOWED IN PHASE I (REVISED 31JAN22)

## Meetings/Activity Participants ≤ 25 indoors ≤ 50 outdoors

- Full-day *(overnights on a case-by-case basis)*
- Still Masked-Up; Still taking temperatures
- Consider A Flt / B Flt alternating meetings for larger units *(or cohorts)*
- Guests/Visitors/Prospects are permitted

## Continued Virtual or Hybrid Meetings

- Encourage continued engagement remotely for at-risk members

## Flying / ES Training

- Aircrew Training, Proficiency Flights, Check-Rides, etc.
- O-Flights (w/no occupancy limits)
- SAREXs

\* If you have questions about whether a planned or proposed activity would be allowed, please work it up the chain of command to ILWG/CV

# PREPARING FOR PHASE II (UNDER REVISED THRESHOLDS)

ILWG CoVID  
Remobilization  
Committee  
members monitor  
several data  
sources DAILY

Committee meets  
every week to  
discuss trends,  
review proposed  
activities, and  
plans for the next  
Phase

## Daily New Cases at/below 40 per 100,000 Residents

- Illinois' statewide numbers should be met this week
- Some IL counties (with CAP unit locations) have higher case rates.
- CoVID Committee will wait for those counties to change status prior to recommending Phase change

## Infection Rate at/below 0.95

- Statewide number was met on 14 Jan

## 14-day Favorable Trending

- IL CoVID cases peaked on 12 Jan; improving since then
- Submit our Phase II transition date to NHQ for review
- Notify IL Wing Staff, Unit Commanders, and Activity Directors at least one week in advance

**\* CAP will follow the most restrictive policies (local, facility, etc.)**

# PREPARING FOR PHASE III (UNDER REVISED THRESHOLDS)

## Daily New Cases at/below $\leq 30$ per 100,000 Residents

- Based on current trend, Illinois' statewide numbers should be met in the next few weeks
- CoVID Committee will pay particular attention to case rates in counties where CAP units are located

## Infection Rate at/below 0.95

- Statewide number was met on 14 Jan

## 14-day Favorable Trending

- Careful analysis of continuing trends (w/no blips)
- Submit our Phase III transition date to NHQ for review
- Notify IL Wing Staff, Unit Commanders, and Activity Directors at least one week in advance

New CAP Phase III restrictions are just shy of “Ops Normal.”

Committee will NOT recommend a Phase change unless we are confident Phase III is appropriate

**\* CAP will follow the most restrictive policies (local, facility, etc.)**
